

Beginning view for 507th Maintenance

From this start point the operator will drop down to ground level as shown in the next page

Ground level start point

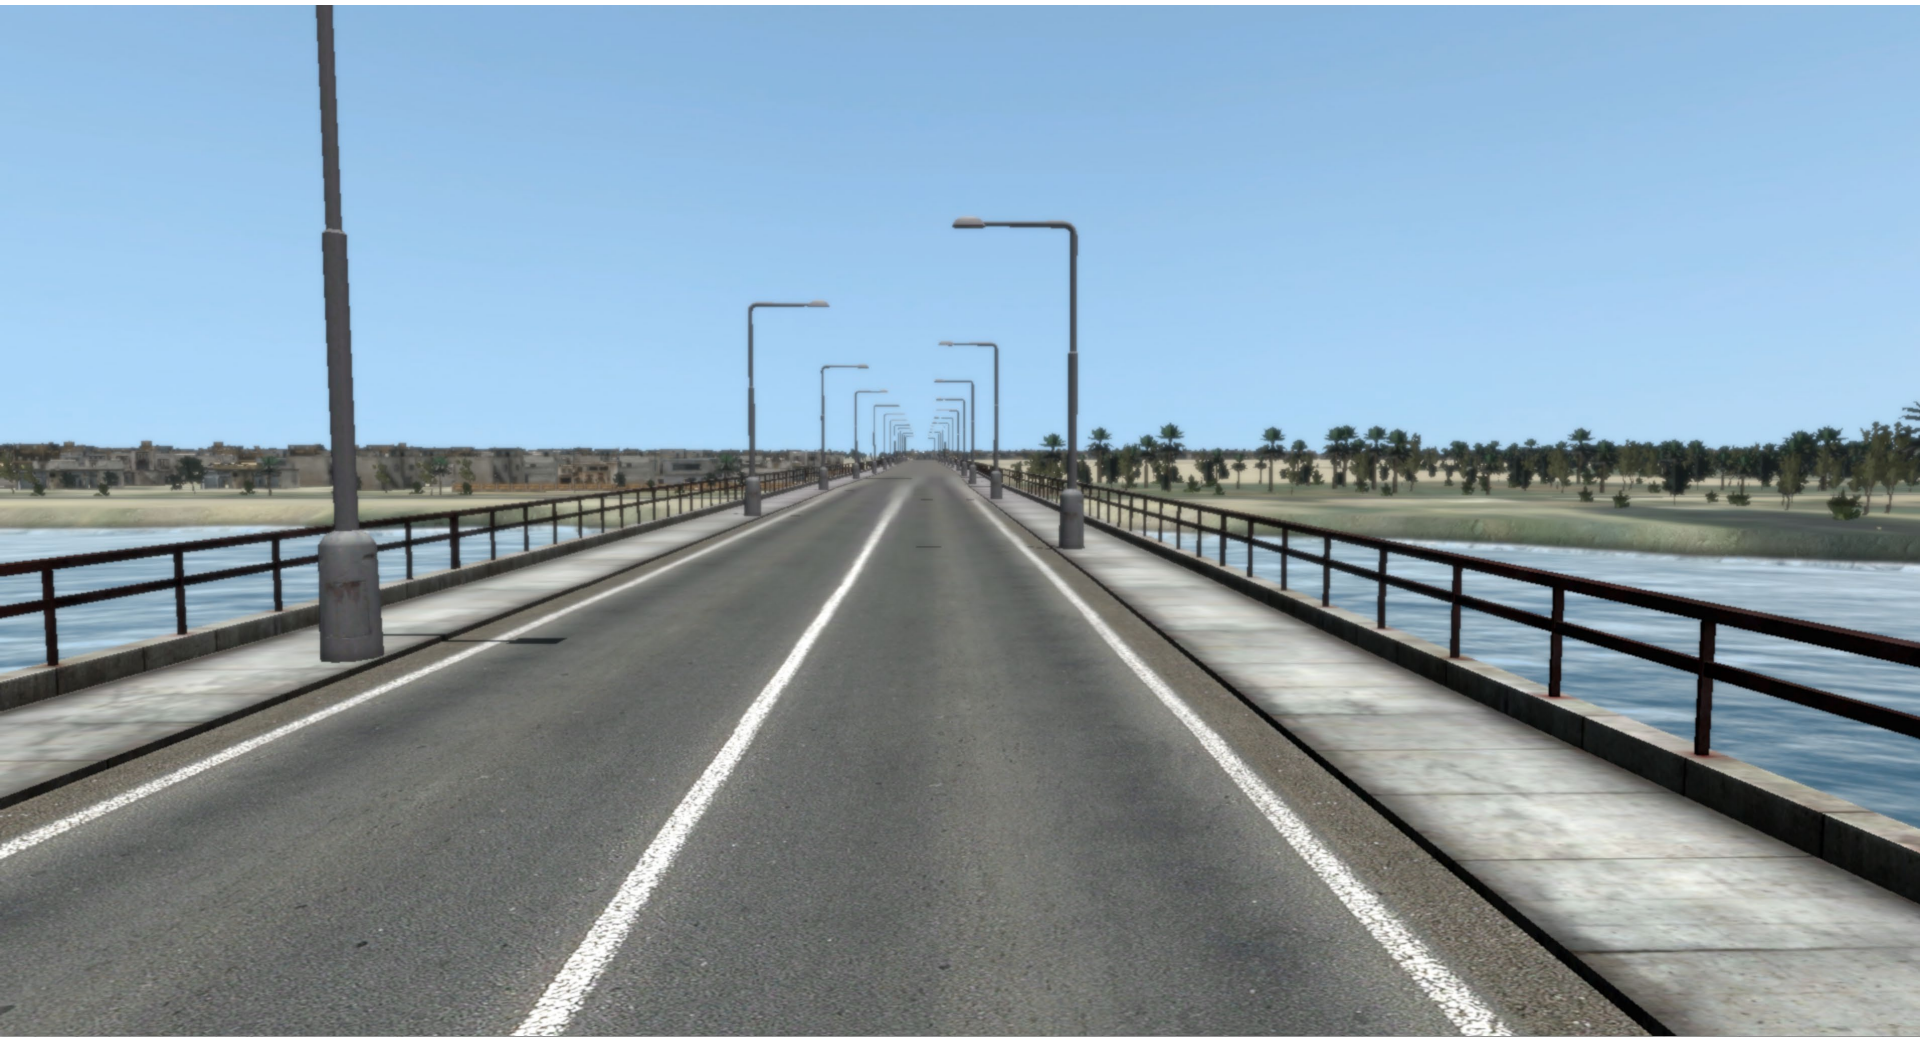

From this point all movements will remain at this ground level until page 22.
Elevated views are to illustrate driving path only

Initial route to Euphrates River bridge

First movement is to the center of the Euphrates River bridge

Euphrates River bridge

Stop in the center of the bridge, the pan left 90 degrees

Euphrates River

Once visualizing the Euphrates, turn right
90 degrees to resume movement through Nasiriyah

Route from Euphrates River bridge in to Nasiriyah

Continue to drive through Nasiriyah, stopping in the middle of the city and turning left 90 degrees to illustrate the terrain and construction

Nasiriyah terrain

Pause with a similar view to discuss terrain and construction, then turn 90 degrees right and resume movement through Nasiriyah

Nasiriyah to Saddam Canal bridge

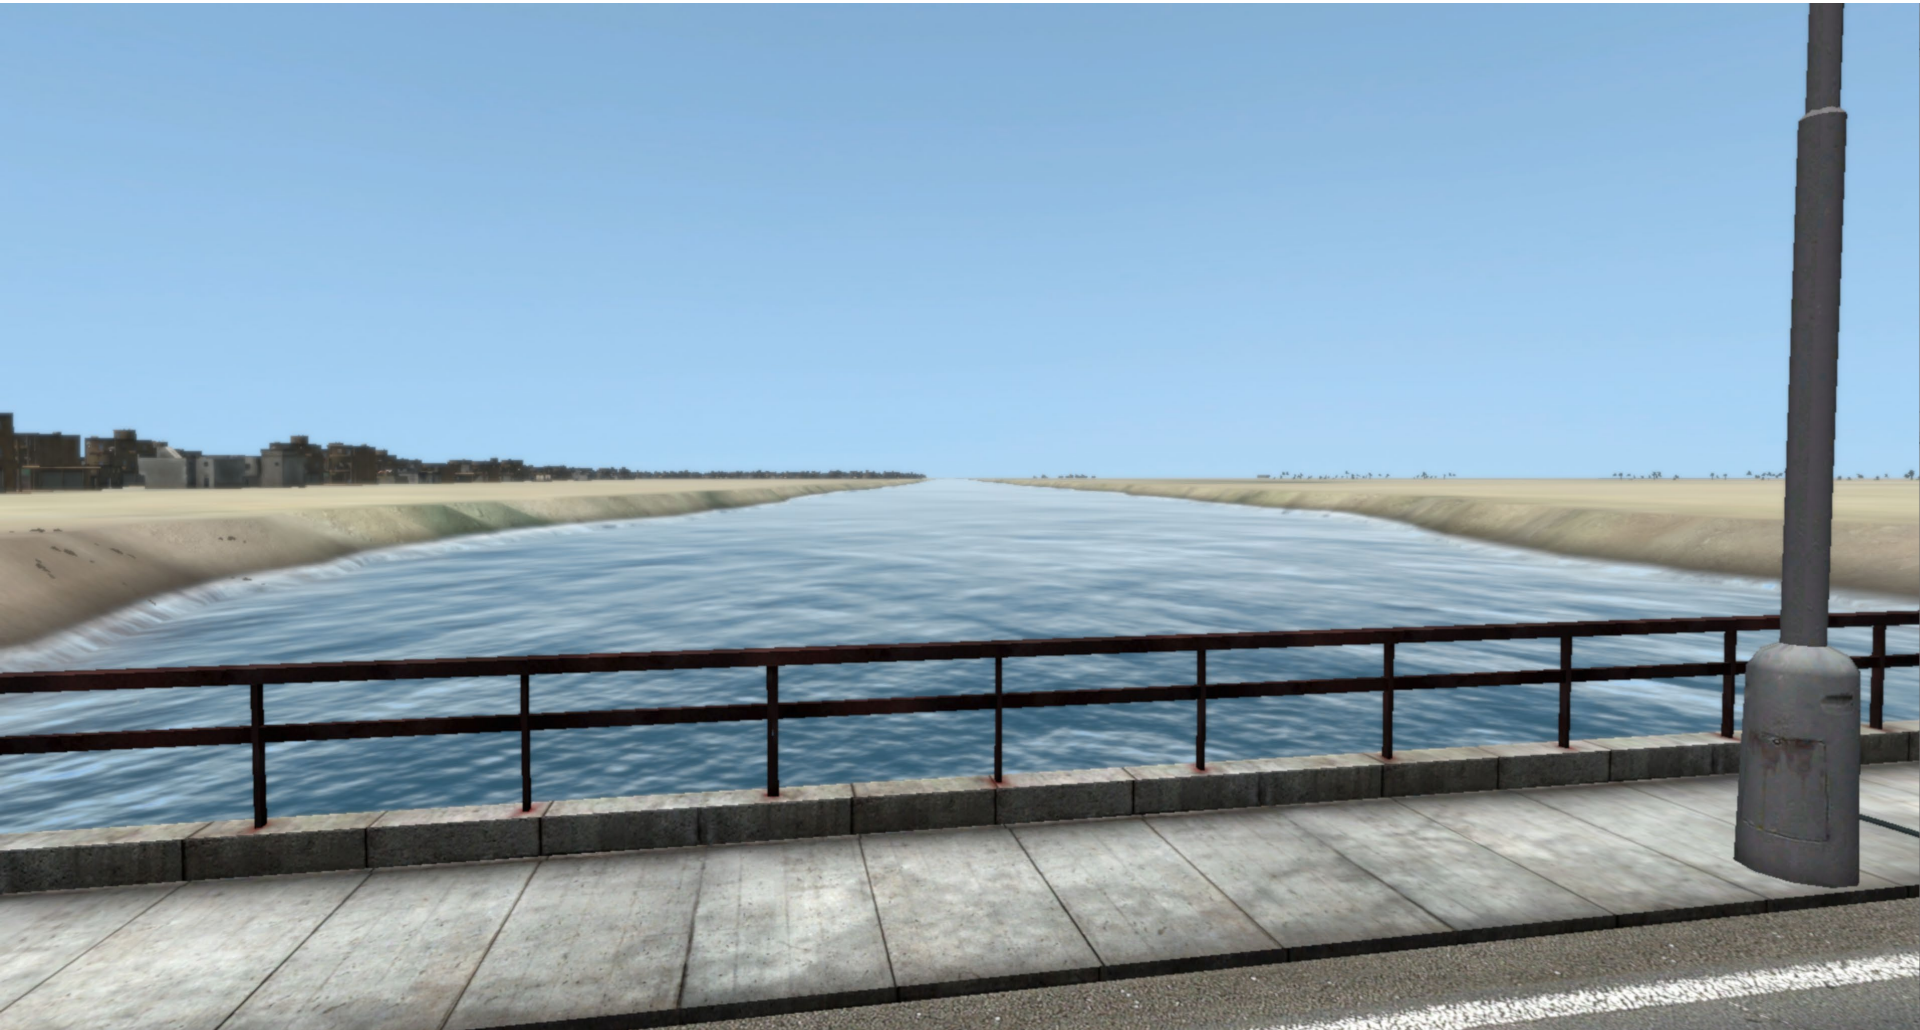

Continue to the middle of the Saddam Canal bridge

Saddam Canal bridge

Stop here and turn 90 degrees left

Saddam Canal

Highlight the Saddam Canal then turn right
90 degrees and continue movement-

Saddam Canal bridge to HWY 16 intersection

Move to the intersection

HWY 16 intersection

Discuss CPT King's understanding of where he is,
then turn left down the intersection

Route along HWY 16 to HWY 7 turn

Move along the route to the intersection as show on the next page

HWY 7 turn

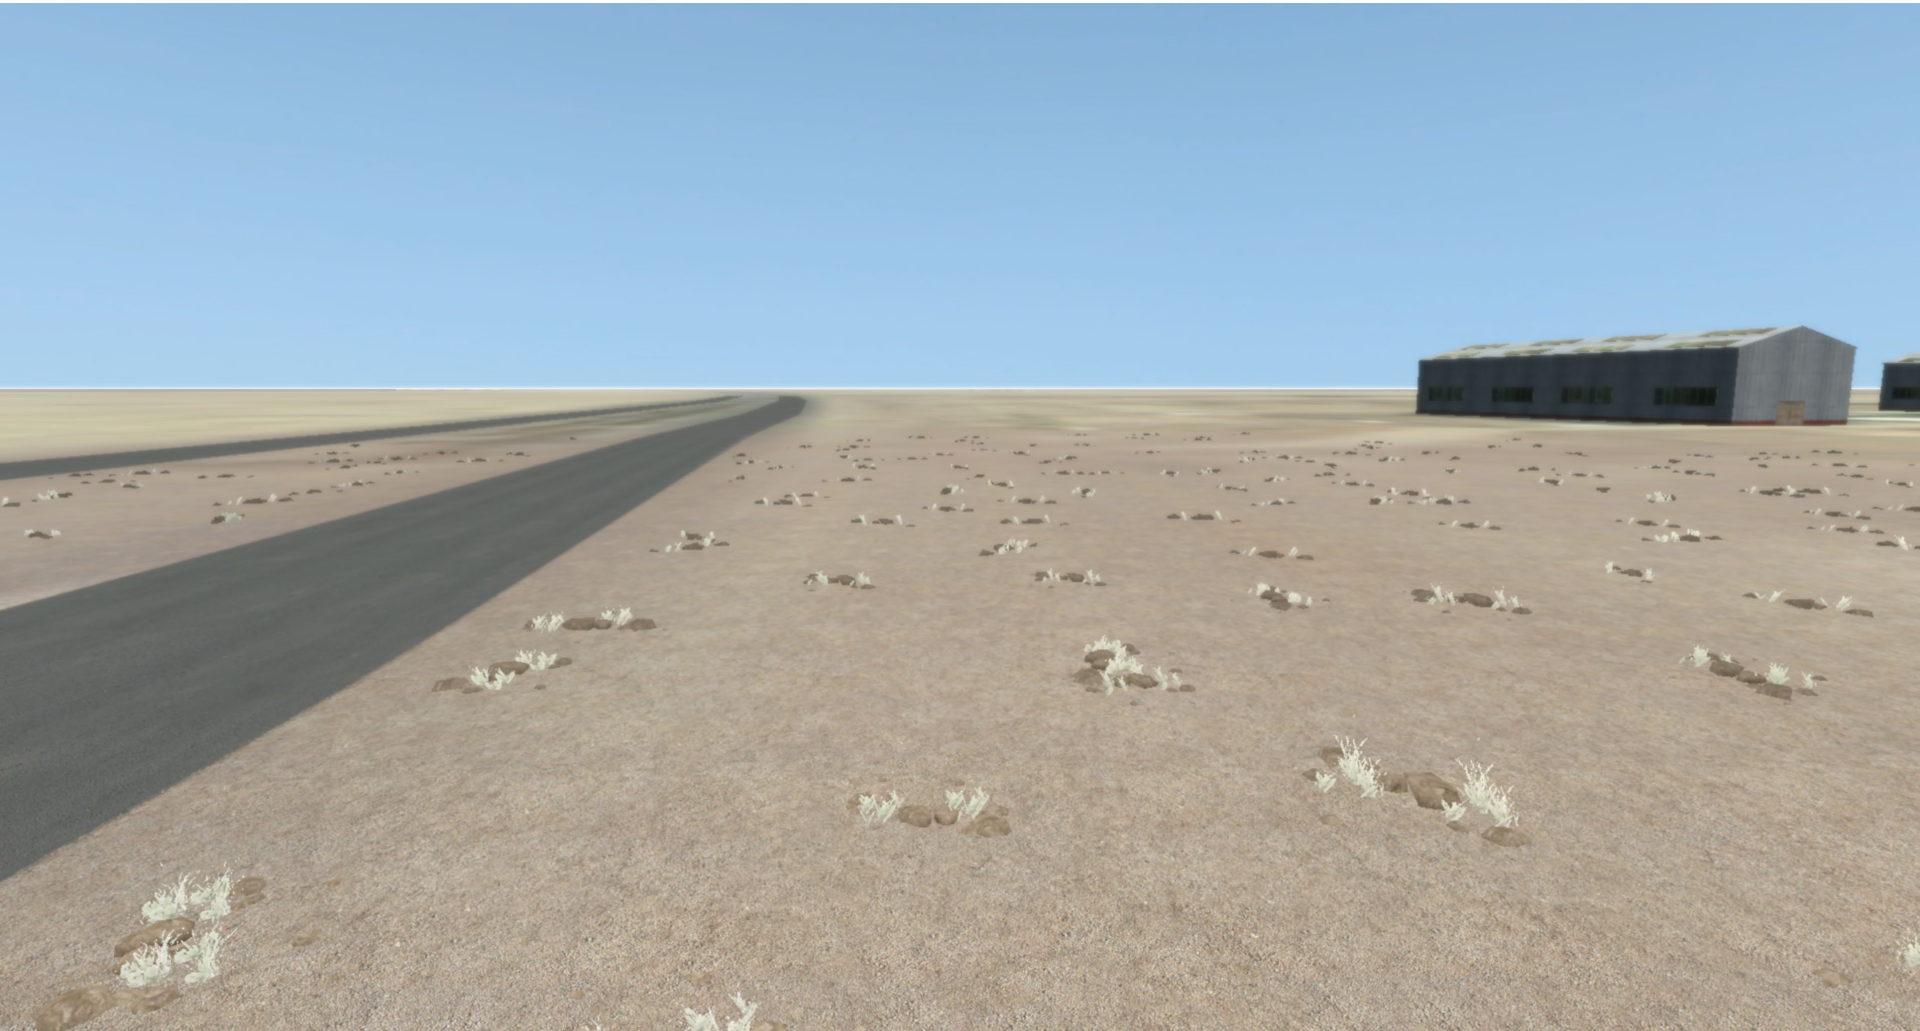

Pause to discuss CPT King's understanding of his location, then turn right at the intersection and move as shown on the next page

Route along HWY 7

Follow the route until the stop illustrated on the next slide

Turn around point

Pause here to discuss the realization the 507th is lost,
then turn 180 degrees

Route along HWY 7 to HWY 16 past Nasiriyah

Follow this route to the convoy stop point illustrated

Second turn around point

Stop here to discuss missing the turn to Nasiriyah,
then turn 180 degrees to resume movement

Route from second turn around point in to Nasiriyah

Follow this route through Nasiriyah

Route through Nasiriyah

Continue to move through Nasiriyah along the illustrated route

Route to Group 3 final point

Drive along this route, almost back to the start point
then lift in the air to match the next page

Final dispositions

North arrows are a general orientation
