

## **AUP Virtual Staff Ride**

### **Classroom Layout Requirements**

**Typical classroom set up and orientation**

#### **Facility Types**

- Mission Training Complex AAR rooms/classrooms
- Organization classroom/conference rooms
- Education Center classrooms

#### **Audience Size**

- Standard audience is 35-40 personnel
- Quality of the facility allows for increases up to a maximum of 50-60 personnel (Note that staff rides are most effective with small group discussion; smaller audiences are better)

#### **AUP Provides**

- One laptop w/VSR software
- One laptop w/PowerPoint visual aids

#### **Unit/Organization Requirements**

- Adequate classroom facility to allow for the best viewing of terrain
- Set-up Position for AUP Computer Tech
- Audio for film clips (as necessary)
- Two projectors w/VGA or HDMI cables
- Two projection screens
- Power Source (Power Strip Preferred), extension cables as necessary
- One Podium or small table
