

## Our wrath remains

To all who read these presents, Greetings:

When you see the headlines, the commentaries, the talk shows, the social media bloviating, and hear the wonks and pundits of all shapes and sizes wringing their hands and gnashing their teeth over the proposed personnel and budgetary cuts to the United States military,

Be you Friend or Foe ...

- If you think America is weaker,  
Then ask an Air Force B2 Pilot
- If you think America can't get there,  
Then ask a Navy Aircraft Carrier Commander
- If you think America won't have enough people to get the job done,  
Then ask a Marine
- If you think America has lost its ability to fight anywhere, anytime against any enemy in 24 hours or less  
Then ask a Ranger
- If you think the tip of the American spear has been blunted and you believe there is truth to the end of American Military dominance

We can assure you, though we are few, it is not,

We are the perennial Tom Joad and our wrath remains.

Both living and dead  
Soldier or Sailor  
Airman or Marine  
Uniformed or Civilian  
General or Private  
Just look and you'll see;  
We'll be there-
